Dear Dr Harvey

A handwritten signature in blue ink, appearing to be 'GH'.

I refer to your correspondence of 28 October 2020 advising of your resignation as the Choice representative on the Therapeutic Goods Advertising Consultative Committee (Committee).

As you know, following the Review of Medicines and Medical Devices Regulation, my Department established the Committee to facilitate ongoing engagement between the Therapeutic Goods Administration (TGA) and advertising stakeholders, including organisations representing consumers. The Committee is a valuable forum for the TGA in delivering advertising education and compliance activities to drive positive outcomes for Australian consumers.

Thank you for your contribution to the Committee over the last twelve months. I understand from the TGA that your commitment to the work of the Committee, including through discussions and workshops, ensured that consumer interests were well represented. I understand that your feedback has been very valuable to the TGA in considering a range of advertising related issues, including proposed amendments to the Therapeutic Goods Advertising Code.

Thank you for your involvement in this important work.

Yours sincerely
